

## Holy Trinity Reading Newsletter

December 2019

We can announce that the new head librarians are Amari and Fumni. They have been doing extremely good work this year. Mrs Eddington has helped increase the numbers of books in our library. Thank you to everyone who donated books to support our library.

### Improve your vocabulary

The vocabulary in our school is levelling up quickly; we learn new vocabulary by talking and writing. In Year 1, they have been learning the following new words: Ecstatic, excited, joyful, grateful, supposed, thoughtful, happy, okay, fine, sad, unhappy, sumptuous, cross and angry.

### Favourite books

Our Topic and Science teacher is Mrs Murdoch. Her favourite book is **Carrie's War**; she read it to year 6 because it tied in with our World War II Topic. Also Mrs Murdoch has read this book when she was younger. Year 6 are currently reading **Wonder**.

Everyone has a favourite book, including teachers, mums, dads and children. It is interesting to find out what different people like: **Harry Potter and the Philosopher's Stone**. Books have special things that makes children have a wider imagination.

### Adults' favourite books

Some adults love books more than children these days because children enjoy technology, but in our school we want to inspire kids to read more books and see what books can do to improve children's knowledge. This will even help them to have a better future.

From year 4 we interviewed Sign, Joanne, Ellie and Kenna;

Joanne's favourite book is **The Midnight Gang**. She rated it 5 out of 5. She described it as one of the best books written by David Walliams. Her favourite character from that book is Raj the newsagent because he sells weird things such as melted ice-lollies, eaten toffees and out of date chocolates and sweets. She recommended this to people who like adventures.

Sign's favourite book is **Birthday Boy** by David Baddiel. She rated it 5 out of 5. She described it as a fantastic and brilliant book. Her favourite character is Sam because he is the main character and is very intelligent. She talked about Sam's sister and her loving science so much that she was even smarter than her brother (he was actually eleven years old and she was seven years old). She recommended this book to people that like to be mischievous.

Ellie's favourite book is **Billionaire Boy** by David Walliams. She rated it 5 out of 5. She described it as a really good and funny book. Her favourite character is Bob because he is really nice and kind. She would recommend this book to people who really like David Walliams.

Kenna's favourite book is **The Ice Monster** by David Walliams. She rated it 5 out of 5. She described it as a hilarious and an adventurous book for all to read. Her favourite character is Elsie because she is kind and brave. She recommended this book to people whether they like David Walliams or not.
